WHAT'S INSIDE

What happened at the forth meeting in POLAND and at the fifth meeting in UK ?

HOSTING PARTNER DANMAR COMPUTERS WELCOMED ALL PARTNERS

Project Coordinator MPDNE shared detailed presentation of Project Management, Second Year Evaluation, Documentation for Reporting

All partners discussed about feedback from Piloting. The Output Leader of IO6 JAMK took recommendations of others and shared next steps.

The multilingual e-learning platform's update, translations and next steps were shared by INFODEF.

The leader of START IN Mobile App (DANMAR) presented detailed steps and MPDNE presented the work plan of Set Of Tailor Made Mobile App.

IN COVENTRY

The 5th meeting of our project "START IN" was held in Coventry. At the meeting, the developments about the second piloting and very important steps of our project's intellectual outputs, the necessary information for the guide were shared. And also made planning for the final conference to be held in Turkey in June. Thank you very much for the hospitality to the hosting organization "Coventry University".
